- INCLUDES:**
- * 2 Game Boards
 - * 8 Bean Bags
 - * 1 Set of Rules

PLAYING AREA: Select an open area that provides approximately 18 ft. between the two foul lines (front of the Bean Bag Boards). Allow children to set distance with their own stride. The width of the court depends on the skill level of players. Play is between two players or teams. One member from each team will stand next to each board.

RULES OF THE GAME:

- Object of Game – To “out-toss” your opponent by throwing Bean Bags into the point holes. First Player/Team to reach 50 points wins!
- Game Play - For the first round, decide Player 1 &/or Team 1 by tossing a coin, or some other suitable method. For following rounds, the team scoring the highest points in the previous round is first to toss in next round.
- Each round consists of 1 person (either Player 1 or Player 1/Team 1) tossing bean bags. Play continues alternating Player/Team until each player has tossed their bags.
- Bean bags may be tossed in any way the player chooses, as long as they're tossed individually.
- Players must not step across the foul line (front edge of Bean Bag Board) during a throw, or that throw does not count.
- Point Values (based on difficulty level) are as follows:
Top Holes = 4-5 Points
Middle Holes = 2-3 Points
Bottom Hole = 1 Point
- No Score - Bean bags that miss a hole or bounce off the ground do not count in scoring.
- To Win – There are alternatives for declaring a winner:
 - 1) The winning team must lead by at least five points; or
 - 2) Require an exact score to win. (If a round's score would put a team over 50, that round's score is not used.)
