Roller Grill holds up to 50 Hot-Dogs

Has 11 rollers with a 30 ½" cooking surface across

Designed to Deliver Great Tasting Hot Dogs!

Roller Grill heats quickly & has a fast recovery for unexpected surges in Hot Dog demand.

- Heating system has 2 temperature knobs to adjust front & back cooking zones
- Pre-heat grill (about 10 minute)
- Can prepare up to 800 SMALL Hot Dogs per hour (if thawed)
- A small thawed hot dog is ready in 4-6 minutes

HEATING: The size, content, & shape of product will determine the proper heat setting. The National Sanitation Foundation requires perishable foods be kept at 140°F or above during serving periods. The product should be kept refrigerated until ready to cook.

Heating times vary depending on size, starting temperature, & quality of product. FROZEN food takes longer! For best results, use a hot dog made for grilling. Load with product, turn on, & adjust temperature knobs.

Easy to Operate!

Control System can adjust temperatures to heat a variety of pre-cooked hot dogs, sausage, egg roll other roll type product.

CLEANING:

- Removable grease collection pan is simple to clean with soap & water
- Wipe all surfaces clean with a non-abrasive damp cloth before returning

Return clean to avoid a Cleaning Charge!
